The first league home game was played in front of a large crowd of excited Brown students as they slowly filtered from the tailgate at Brown Stadium across the road looking forward to watching a competitive fixture. Luckily for the students, Brown ended the day with a strong 32-5 win over the traditionally strong Iona College.

The first try occurred minutes into the game as Brown's forwards asserted their scrum-time dominance and were awarded a penalty try under the posts. Brown's scrum quickly became an unmovable force and caused great trouble to the opposing men in wine and gold. Unfortunately, this set piece dominance failed to translate across to the lineouts as the Brown Bears struggled in this department throughout the game. Iona responded strongly shortly afterwards scoring a simple try in the twentieth minute. Nonetheless, the Bears were awarded a try soon after as Sophomore Max O'Donahue received a long cut-out pass from classmate JT Dyer to step around some Iona defenders and score untouched. Dylan Lewis failed to convert making the score 12-5 at half time.

Iona came out of the half-time break strong and fired up spending much of the first ten minutes of the second half in Brown's part of the field. However, they were unable to convert this pressure into points and in fact conceded 20 points throughout the second half. The first of these points came from a breakaway try as freshman flanker Cameron McAlpine showed his pace by peeling off the back of a maul and ran down the sideline to score under the posts. Shortly afterwards, Dylan Lewis makes an easy conversion to make the score 19-5. Due to the accuracy of Junior Dylan Lewis' kicking off a tee, the Brown Bears elected to take two sets of penalty goals over the next 15 minutes putting even more scoreboard pressure on Iona. The day was capped off with a strong carry down the middle of the field by the Spaniard Pablo Lavilla as he ran through a handful of Iona defenders to score a breakaway try under the posts. As expected, Lewis easily makes this conversion.

A successful day out leaves Brown winning against Iona 32-5 and starting the season strong with a 4-0 record. The boys are fired up and optimistic for the rest of the season as they prepare to play against Colgate at home this Saturday. It should be another strong showing from the men in Brown.

The Brown Second XV soon followed with another dominant display beating the men in Wine and Gold. The Second XV have continued to develop chemistry and fluency throughout the week as they showcased another dominant display by the forward pack which was backed by the speed and skill of the backs. Energized by big collisions and relentless tackling, the second side yielded several scoring opportunities. Most notably, Junior Jake Ehrenkranz scored a thirty-meter breakaway try down the center of the field. In addition, the hot feet of Elliot Winoker allowed him to breeze past Iona defenders as he stepped past what felt like the entire backline to score under the posts. Another strong victory by the Brown Bears resulting in the final score to be 33-7.
