## Tournament Match Report

Saturday, November 13, 2022  
 Cianci 7's Tournament  
 Seekonk MA

Approaching the finals weeks of the Fall 2022 season, the Cianci 7's provided an opportunity for the second team and development group to compete with ten other colleges from the region. The team played five games winning them all to take the championship trophy in the social category.

Cianci 7s has been hosted by local senior club and Beast of the East organizers, Providence Rugby, for twenty years. Over that time, Cianci 7s has become a fixture on the rugby calendar, bringing college sides from throughout the Northeast to Rhode Island for a fun and competitive day of sevens. Cianci 7s is a one-day tournament. Any collegiate men's and women's sides are welcome to play in our competitive and social brackets.
